GOVERNMENT OF INDIA.
FINANCIAL DEPARTMENT.
Accounts and Finance.

To
THE CHIEF SECRETARY TO THE GOVERNMENT OF MADRAS.

Fort William, the 31st March 1877.

SIR,

I AM directed to acknowledge the receipt of the estimates of revenue and expenditure of the Madras Presidency for 1877-78, and to state that they have been accepted by the Governor General in Council with modifications under the following heads:—

REVENUES.

III and 5.—Forest.

The reasons for the revenue and charge estimated under this head will be communicated in the Revenue Department.

VI.—Customs, and VII.—Salt.

These estimates have been settled for the whole head, and the provincial distribution has been made with reference to the experience of past years.

IX.—Stamps.

This estimate has been altered with reference to the past year's actuals.

XIII.—Law and Justice.

The original estimate for 1876-77 has been repeated for 1877-78.

XVII.—Superannuations.

In the local estimate the amount of transfer from deposits is shewn at Rs. 18,39,620, but the proper amount, according to the Home Estimates, being Rs. 18,69,000, this latter sum has been entered under this head.

EXPENDITURE.

3.—Refunds.

This estimate has been raised with reference to the Resolution in this Department, No. 427, dated the 25th January 1877.

4.—Land Revenue.

6.—Excise.

21.—Medical.

The estimates under these heads have been altered with reference to the past year's actuals.

14.—Administration.

The local estimate under this head has been accepted, but the Governor General in Council desires to be informed why only Rs. 97,000 has been estimated for the expenses of the staff and household of His Excellency the Governor in 1877-78, when the regular estimate for the current year on this account amounts to Rs. 1,11,000.

27.—Loss by Exchange.

This estimate has been settled with reference to the Secretary of State's drawings and the rate of exchange likely to be obtained during the year.

Famine Relief.

The amount finally settled in the Revenue Department has been accepted for this head.

Balance increased.

The difference of Rs. 1,000 here arises from the re-transfer of Public Works Expenditure on Light-houses to Imperial and the consequent reduction of the Provincial Allotment.

A statement showing the latest local figures and those adopted by the Government of India is herewith forwarded for information.

I have the honor to be,

SIR,

Your most obedient Servant,

R. B. CHAPMAN,

Secretary to the Government of India.

COPY of this letter, and of the statement referred to in the last paragraph, forwarded to the Comptroller General and the Accountant General, Madras, for information and guidance.
