PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from

the Surgeon General J. M. Dept. to the Chief Secretary to Government dated 14th April 1877. N^o 227.

I have the honor to forward for the information of His Grace the Governor in Council a Memo from the Zillah Surgeon Mellore reporting the occurrence of rain, and that the prospects of the district are more hopeful as regards the water supply.

Letter from the Zillah Surgeon, Mellore, dated 29th March 1877, N^o 55.

I have the honor to inform you that a smart shower of rain lasting for about an hour and ushered in by thunder and lightning fell here today commencing about noon. the sky is still (5 P.M.) overcast and I think we may expect more rain tonight or tomorrow.

2. The amount that has fallen is not yet

get known, nor the area over which it fell.

It is however sufficient to aid materially
in replenishing the wells and other sources
of water supply and should it have fallen
in Buddapak as seems to be indicated by
the state of the sky, the supply will be
still more augmented. I am in great
hopes that the miseries of a water famine
have been finally averted for this year.

Order thereon 18 April 1877 N: 523

Communicated to the Revenue
Famine Department and to the Board
of Revenue.
