GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

17th April 1877, No. 1273.

Famine Relief.

Read the following paper :—

No. 134. From Major T. CLARKE, Officiating Secretary to the Chief Commissioner of Mysore, to the Officiating Chief Secretary to Government, dated Bangalore, 11th April 1877, No. 386—G. 2.

With reference to your office letter, No. 716, dated 26th February last, requesting to be furnished with a sketch map indicating the localities of the relief or other works in progress in the Mysore territory adjacent to the frontier, to which Mysore people who have resorted to British territory may be relegated, I am desired to explain that the Chief Commissioner being anxious, as far as might be possible, to meet His Grace the Governor's wishes in all such matters, issued orders that the requisition therein conveyed should, if practicable, be complied with; but arrangements having since, in correspondence with the Madras Government, been made to withdraw those who are still in receipt of relief in the districts adjoining their Province, the necessity no longer exists for the transmission of the sketch map, the preparation of which, on a scale calculated to afford the information required in a sufficiently clear and distinct manner, has been found alike difficult and unsatisfactory.

2. I am desired, at the same time, to enclose an abstract statement, showing the particulars of some of the works in progress under the Revenue and Department Public Works Officers, respectively, in those taluqs of the Province which border on Her Majesty's territories.
