PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

From the Accountant-General, Madras, No. L.F.D./629, dated 5th December 1898.

With reference to paragraph 20 of Government Order No. 2149 L., dated the 8th November 1898, I have the honour to state that the simplest course will, I think, be to charge the whole cost of the extra establishment and their allowances to the several funds in proportion to their total receipts, as is done in the case of the regular staff. The probability is that the different portions of the work will be taken up more or less concurrently. I have called for suggestions in regard to the rules from all Presidents of District Boards and the work of revision will be taken up as soon as possible, after the replies have been received.

ORDER No. 54 L.Mis., dated 9th January 1899.

The Accountant-General's proposal is approved.
