Extn No 654.

Acting Collector of Cuddapah

To H. C. Atcher Esq^r

Secretary to the Bd. of Rev^y
Madras.

Sir,

Referring to the Proceeding
of the Board of Revenue etc. —
dated 6th Instant, I have the honor
to report that Messrs. Allagath and
Potters are both employed solely upon
the work of measuring up in two
Taluk of the Sub Division, that
Mr. Maclean is engaged upon the
same duty in the Pulivendla Taluk
and that the greater part of the esti-
mates for the Cuddapah Taluk

have

have been prepared.

2. I have already written to the Range officer Madama Falle under whose immediate control I placed Messrs. McGoath and Peters asking what progress they have made. I have not yet had a reply. Mr. Maclean, about a week ago, informed me that he would finish Polivindla in a fortnight. He will then complete Gussupah.

3. I can assure the Board that I have not lost sight of the necessity for making up the estimates for the work done in this District. I wish however to provide for no more being commenced without a sanctioned estimate. No estimates of the latter

latter kind are being prepared by my special Engineering Staff.
