GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

30th July 1877, No. 2,403-A.

Famine Relief.

Read the following paper :—

No. 557-A. Proceedings of the Board of Revenue, dated 24th July 1877.

Read the following letter from M. TILLANAYAGUM, Temporary Deputy Collector, to W. McQUHAE, Esq., Collector of Madura, dated Covilpatty, 11th July 1877, No. 173.

In submitting a statement showing the progress of relief-works in the Melur Taluq during the month of June 1877, I have the honor to state that most of them are in the Melur portion of the taluq where the distress is heavier than in the Nattam portion, in which only three tanks have been started near Kattambatty.

2. There is a great rise in the number of coolies who sought relief in June over that who worked in May, the average daily attendance in the former month being 1,061 against 363 in the latter.

3. There has been a great increase also in the applicants for gratuitous relief. A relief centre was started at Keelavalavu on the 26th ultimo under your order, communicated to me demi-officially; 224 men, 714 women, and 804 children (male and female) were fed on the 29th at the Government cost in the camp at the cusbah and three relief centres at Kottambatty, Teruvadavoor, and Keelavalavu. Every effort is being made to reduce the number in the camp at Melur which swelled to 932 on the 29th. Several families who had left their homes in the Tirumangalum Taluq and Tiruchuly Division on account of the distress, and who lived in the camp for some time, were found fit for work and sent back to their villages, as they would not work here. Under your order conveyed in your letter, No. 2,078, dated 29th June 1877, money-dole is allowed to upwards of 200 people who lived in the camp and who are residents of Melur and the villages adjoining it.

4. Village relief in money is given to the paupers in three more villages which are in the south and south-eastern part of the taluq.

5. The amount advanced under the Land Improvement Act up to the end of June was Rs. 1,987-8-10.

Revenue Department, 30th July 1877, No. 2,403-A.

No. 458.

SUBMITTED to the Board of Revenue with copy of statement. Since the failure of the cholam crop, distress is increasing. The price of rice has suddenly risen nearly 40 per cent. The Madura market, from which Melur and other villages were supplied, is not well stocked with rice.
