GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

3rd August 1877, No. 2,438-C.

Famine Relief.

Read the following paper:—

No. 41-E. Proceedings of the Board of Revenue, dated 9th July 1877.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Madanapalli, 26th June 1877, Extra No. 1,638.

I HAVE the honor to report, for the information of the Board of Revenue, that as it is impossible to obtain a sufficient supply of cow's milk for the small children in the relief-camp at Madanapalli, I have passed an indent sent by the Apothecary in charge for 24 tins of Anglo-Swiss milk.

2. If something of the kind is not provided a very large infant mortality will be the inevitable result. I think that prepared milk might with great advantage be introduced in all relief-camps. A very large number of cows have died, and milk is everywhere at a premium.

The Collector's action is approved. This letter will be submitted to Government for the issue of such orders on paragraph 2 as may appear fit. It is possible that in some parts where cows are not to be found goat's milk may be procurable. The supply of condensed milk to all infants in camps would involve a very heavy outlay, but might be met with discretion to authorise a small supply for use in case of absolute necessity.
