No. 542. Read the following letter from W. LOGAN, Esq., Collector of Malabar, to J. H. GARSTIN, Esq., Acting Secretary to Government, Revenue Department, Fort St. George, dated Calicut, 13th January 1877, No. 6:—

With reference to your telegram of the 12th instant, directing that when weekly season telegrams a comparison with the previous week's telegram should be made, I have the honor to request instructions whether it is intended that all the particulars mentioned in the season telegram, e.g., rain-fall, quantities of various food-grains imported and exported and the ruling prices, &c., are each to be contrasted with its corresponding particulars of the preceding week where practicable, or whether it would suffice if the comparison is made so far as "prices" are alone concerned.

No. 543. ORDER THEREON, 18th January 1877, No. 243.

Miscellaneous.

The Government observe that what was intended by the telegram was that when the Tuesday telegram is sent, any remarkable differences in prices, or numbers of relief works, between the current week's and the previous week's figures should, if possible, be explained, and the causes to which attributable stated in the telegram.
