GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

3rd August 1877, No. 2,440-B.

Famine Relief.

Read the following paper:—

No. 44-C. Proceedings of the Board of Revenue, dated 7th July 1877, No. 3,160.

Read the following letter from Lieutenant W. LOCKYER, R.A., Special Relief Officer, to R. W. BARLOW, Esq., Collector of the Chingleput District, dated Cortelliar Camp, 19th June 1877, No. 43.

In forwarding the accompanying Objection Statement on my travelling bill from Secunderabad I have the honor to state that I was given to understand that a horse or pony was necessary, consequently I brought one, and I certainly could not get through my work without one.

2. I telegraphed to the Secretary to Government to ask if I should bring tents, camp equipage, or horse, and got an answer to say that I need not bring tents, thus inferring that I must bring the other two items.

3. I certainly should not have brought a pony if I had not thought that, of course, Government would pay the carriage, as it would have been cheaper to have bought one in Madras.

4. When travelling on military duty I am by right entitled to carriage for one horse as belonging to a Field Battery.

5. The extra luggage was due to some heavy camp equipage which, as I have stated in paragraph 2, I thought I was obliged to bring.

6. I have the honor to request that you will forward my humble statement to Government for their favorable consideration.
