GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

3rd August 1877, No. 2,441-B.

Famine Relief.

Read the following paper:—

No. 46-C. Proceedings of the Board of Revenue, dated 10th July 1877.
Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to
H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 29th
June 1877, No. 518.

Two extra shroffs were employed in each of the taluqs of Adoni and Tadputry, and one in each of the other taluqs of the district, excepting Bellary, under the sanction granted by Government in their Proceedings, No. 1,577-A, dated 27th April 1877. New copper coin is being brought daily to some of the treasuries over and above the requirements of those taluqs, and more than the present shroffs can possibly count within the day, but the Accountant-General says that, in order to prevent a depreciation of copper, all that is brought must be taken in exchange for silver.

2. To admit of this two or three more shroffs will have to be entertained for some of the Taluq Treasuries and when this is done extra cash-chests will have to be sent to those treasuries, for securing the copper coins, and eventually the excess copper will have to be brought to the Bank here. I request that sanction may be obtained for the entertainment of the extra shroffs as they may be required, and for the supply of extra cash-chests to the Taluq Treasuries.

3. The accumulation of a large quantity of copper coin in some taluqs was unavoidable, as at the onset of the distress large quantities had to be supplied to the Tahsildars, on their indents, for the relief-works which were being carried on; all this is no doubt now finding its way back to the treasuries.

SUBMITTED for the sanction of Government, in anticipation of which the Collector is authorized to entertain the shroffs required. Their number and pay should be reported in due course.

2. An indent for the cash-chests, specifying dimensions and number required, should be submitted.
