2. *Prices.*—Prices are still rising, but the rise does not seem so marked as in last week. In *Kistna* prices are almost stationary. In Nellore rice is risen in Kistnagheri but fallen in the adjoining taluqs, and the condition of prices is on the whole, easier. In *Cuddapah* the district averages are nearly stationary, but prices are generally lower in the Sub-Division where they have been rising for some weeks past. In *Bellary* prices are rising and are alarmingly high in the western taluqs. The quotations for the Hurpunhully taluq are given in the margin. The price of cumbu is the highest which has yet been reached for any of the grains in ordinary use. In Hadgally and Kudlighi prices are also very high and are rising. Prices have also risen in the southern taluqs of Hindupur and Madaksira, and also in Adoni there is a general rise. The district averages telegraphed for *Kurnool* shew slightly rising prices. In Chingleput rates are nearly stationary, except in Madurantakum where rice and ragi have risen sharply. In *North Arcot* the prices are nearly stationary but have risen in Arni and Polur. In *South Arcot* prices have also risen in Trino-

malai and Tindivanum. In *Madura* there is little change, but the price of ragi is fluctuating. In *Tinnevelly* there is a slight rise in two taluqs. In *Coimbatore*, rice, cholum and ragi, are nearly stationary, but the price of cumbu tends to fall probably owing to the harvest of that crop beginning to come in. This cause has affected the price of the same grain in *Salem*. There is a general rise in Darampuri, and in Kistnaghiri in cholum and cumbu. Cholum has also risen in Salem and Ahtur. [illegible] *Malabar* the district averages are nearly stationary.

3. *Rainfall.*—Some rain has fallen in all districts, except *Kistna, Tinnevelly and Trichinopoly.* In *Nellore* it was confined to the taluqs of Kundakur, Kanighiri and Udayagheri. In *Cuddapah* there were light showers in Sidhout, Voilpaud and Kadir. In *Bellary* there was good rain in Madaksira (3·6 inches) and in Harpunhally (2·5 inches); and slight showers fell in few other taluqs. In *Chingleput* there was light rain, in no case exceeding half an inch in all taluqs except Ponnery. In *North Arcot* rain fell in south and west of the district, and the greatest quantity registered was 1·9 inches at Arnee. In *South Arcot* rain fell in the southern and central taluqs. In *Madura* there was a light shower in Periacolum and in *Coimbatore*, about ¾ of an inch in *Coimbatore* and *Pollachy*, and light rain in the south of the district. In *Salem* 1·35 inches were received at head-quarters, and there was a light rain in four other taluqs. In Malabar the monsoon rains continued.

4. *Grants and Outlay.*—The grants made to the 23rd June amount to 1,8[illegible],30,283, and the reported outlay was as follows :—

5. *Numbers on Relief Works.*—The following statement shows the District totals :—

| Grand Total... | 859,866 | 838,869 | — 20,997 |

6. Numbers in *Kistna* shew a considerable relative increase. In Nellore a large decrease amounting to 10,286 is accounted for chiefly by a decline of 7,696 on the works made over to the D. P. W. which are now only 6,859. The rest of the decrease is generally distributed. In Cuddapah the increase is almost entirely nominal, being due to incomplete returns from the Jammalamadugu taluq last week : the fluctua-

tions in other taluqs are not important. The Taluq details for Bellary which shewa large decrease are given in the margin. The decrease in the district would have been greater, but for increased numbers on the Bellary Hubli Railway which are now 7,125 against 5,319 last week. The decrease in Hospett, Adoni, Hindupur, Pennakonda, Harpanhally, Madaksira and Anantapur is due to the recent rains. In Bellary it is ascribed to the weeding out of ablebodied persons for the railway. In Raidrug and Kudlighi the returns appear to be defective. The variations in other taluqs are not explained.

| Total ... | 296,054 | 281,899 | — 14,155 |

7. In Chingleput the increase occurs chiefly in Chingleput taluq; no report appears to have been received from the railway officer, and the numbers for last week are repeated in this week's return for the Conjeveram taluq. In North Arcot there is increase in Palmanair, but decrease in Chittoor, Chendraghiri and Wandewash. The large increase in Madura occurs entirely in the Pulney taluq and is not explained, but appears to be due to the completion of the works in hand. In Coimbatore the numbers have decreased in Pulladam and Dharapuram, but increased in all other taluqs; one of the causes assigned being that coolies who temporarily left the works to plough have now returned. In Salem district the numbers have fallen in Ahtur and Darampury, in all other taluqs there is an increase.

8. The total number under the D. P. W. is 201,101, as per enclosed statement, against 216,051 last week. The decrease is chiefly in Nellore.

---

9. As regards wages the new scale appears to be universally in force except in part of Jammalamadugu taluq in Cuddapah district.

In Bellary the is a large increase in village relief, but a crease of about nine thousand under 3 pie cdren. In *Kurnool* village relief has increased In *Chingleput* the enormous increase of 15,75 is due to the sudden rise in numbers in caps in Conjeveram from 4,775 to 15,685. 2. *Prices.*—Prices are still rising, but the rise does not seem so marked as in last week. In *Kistna* prices are almost stationary. In *Nellore* rice is risen in Kenigiri but fallen in the adjoining taluqs, and the condition of prices is on the whole easier. In Cuddapah the district averages are nearly stationary, but prices are generally lower in the Sub-division where they have been rising for some weeks past. In *Bellary* prices are rising and are alarmingly high in the western taluqs. The quotations for the Harpanhalli Taluq are given in the margin. The price of cumboo is the highest which has yet been reached for any of the grains in ordinary use. In Hadgally and Kudlighi prices are also very high and are rising. Prices have also risen in the southern taluqs of Hindupur and Madaksira, and also in Adoni there is a general rise. The district averages telegraphed for *Kurnool* show slightly rising prices. In Chingleput rates are nearly stationary except in Madurantakum where rice and raggy have risen sharply. In North Arcot the prices are nearly stationary but have risen in Arnee and Polur. In *South Arcot* prices have also risen in Trinomalai and Tindivanum. In *Madura* there is little change but the price of raggy is fluctuating. In Tinnevelly there is a slight rise in two taluqs. In Coimbatore rice, cholum, and raggy are nearly stationary, but the price of cumboo tends to fall probably owing to the harvest of that crop beginning to come in. This cause has affected the price of the same grain in *Salem*. There is a general rise in Dharampuri and in Kistnagiri in cholum and cumboo. Cholum has also risen in Salem and Ahtur. In Malabar the district averages are nearly stationary.

3. *Rainfall.*—Some rain has fallen in all districts except *Kistna*, *Tinnevelly*, and *Trichinopoly*. In *Nellore* it was confined to the taluqs of Kandukur, Kanigiri, and Udayagiri. In *Cuddapah* there were light showers in Sidhout, Voilpaud, and Kadiri. In *Bellary* there was good rain in Madaksira (3·6 inches) and in Harpanhalli (2·5 inches), and slight showers fell in five other taluqs. In *Chingleput* there was light rain, in no case exceeding half an inch in all taluqs except Ponnery. In North Arcot rain fell in the south and west of the district, and the greatest quantity registered was 1·9 inches at Arnee. In *South Arcot* rain fell in the southern and central taluqs. In *Madura* there was a light shower in Periacolam, and in Coimbatore about three-fourths of an inch in Coimbatore and Pollachy, and light rain in the south of the district. In *Salem* 1·35 inches were received at head-quarters, and there was light rain in four other taluqs. In Malabar the monsoon rains continued.

| Total ... | 296,054 | 281,899 | —14,155 |

Numbers in *Kistna* show a considerable relative increase. In Nellore a large decrease, amounting to 10,286, is accounted for chiefly by a decline of 7,696 [illegible] the works made over to the Public Works Department which are now only 6,[illegible]9. The rest of the decrease is generally distributed. In Cuddapah the increase is almost entirely nominal, being due to [illegible] complete returns from the Jamalmadugu Taluq last week; the fluctuations in other taluqs are not important. The taluq details for Bellary which show a large decrease are given in the margin.

The decrease in the district would have been greater but for increased numbers on the Bellary-Hubli Railway which are now [illegible],125 against 5,319 last week. The decrease in Hospett, Adoni, Hindupur, Pennacondah, Harpanhalli, Madaksira, and Anantapur is due to the recent rains. In Bellary it is ascribed to the weeding out of able-bodied persons for the Railway. In Raidrug and Kudlighi the returns appear to be defective. The variations in other taluqs are not explained.

7. In Chingleput the increase occurs chiefly in Chingleput Taluq; no report appears to have been received from the Railway Officer, and the numbers for last week are repeated in this week's return for the Conjeveram Taluq. In North Arcot there is increase in Palmanair but decrease in Chittoor, Chendraghiri, and Wandewash. The large increase in Madura occurs entirely in the Pulni Taluq and is not explained, but appears to be due to the completion of the works in hand. In Coimbatore the numbers have decreased in Pulladam and Dharapuram but increased in all other taluqs, one of the causes assigned being that coolies who temporarily left the works to plough have now returned. In Salem District the numbers have fallen in Ahtur and Dharampuri; in all other taluqs there is an increase.

8. The total number under the Public Works Department is 201,101 as per enclosed statement against 216,051 last week. The decrease is chiefly in Nellore.

9. As regards wages the new scale appears to be universally in force except in part of Jamalmadugu Taluq in Cuddapah District.

11. The numbers on gr[illegible]tous relief have again increased very largely. In Nellore the increase is under cu[illegible].

In Cuddapah there is incr[illegible] in camps and a large increase in village relief, especially in Pulivendla and Cu[illegible]pah Taluqs. Judging from the numbers reported the village relief is worked [illegible] unequally throughout the district. In Bellary there is a large increase in [illegible] relief but a decrease of about 9,000 under 3-Pie children. In Kurnool village relief has increased. In Chingleput the enormous increase of 15,795 is due to the sudden rise in numbers in camps in Conjeveram from 4,775 to 15,685. The Collector will be requested to report whether this return is correct. In North Arcot the increase is chiefly under 3-Pie children. In Madura the numbers on camp relief have risen in all taluqs except Pulni. In Coimbatore there is an increase of about 5,000 in camps and relief houses, but the numbers on village relief have fallen from 2,686 to 52. The Collector will explain the reason of this. In Salem there has again been a large increase in village relief, which from the marginal details will be seen to be spread over the whole district.

2. *Prices.*—Prices are still rising, but the rise does not seem so marked as in last week. In *Kistna* prices are almost stationary. In Nellore rice is risen in Kistnagheri but fallen in the adjoining taluqs, ~~and the~~ condition of prices is on the whole, easier. In *Cuddapah* the district averages are nearly stationary, but prices are generally lower in the Sub-Division where they have been rising for some weeks past. In *Bellary* prices are rising and are alarmingly high in the western taluqs. The quotations for the Hurpunhully taluq are given in the margin. The price of cumbu is the highest which has yet been reached for any of the grains in ordinary use. In Hadgally and Kudlighi prices are also very high and are rising. Prices have also risen in the southern taluqs of Hindupur and Madaksira, and also in Adoni there is a general rise. The district averages telegraphed for *Kurnool* shew slightly rising prices. In Chingleput rates are nearly stationary, except in Madurantakum where rice and ragi have risen sharply. In *North Arcot* the prices are nearly stationary but have risen in Arni and Polur. In *South Arcot* prices have also risen in Trino-

malai and Tindivanum. In *Madura* there is little change, but the price of ragi is fluctuating. In *Tinnevelly* there is a slight rise in two taluqs. In *Coimbatore*, rice, cholum and ragi, are nearly stationary, but the price of cumbu tends to fall probably owing to the harvest of that crop beginning to come in. This cause has affected the price of the same grain in *Salem*. There is a general rise in Darampuri, and in Kistnaghiri in cholum and cumbu. Cholum has also risen in Salem and Ahtur. In *Malabar* the district averages are nearly stationary.

3. *Rainfall.*—Some rain has fallen in all districts, except *Kistna, Tinnevelly and Trichinopoly*. In *Nellore* it was confined to the taluqs of Kundakur, Kanighiri and Udayagheri. In *Cuddapah* there were light showers in Sidhout, Voilpaud and Kadiri. In *Bellary* there was good rain in Madaksira (3·6 inches) and in Harpunhally (2·5 inches); and slight showers fell in few other taluqs. In *Chingleput* there was light rain, in no case exceeding half an inch in all taluqs except Ponnery. In *North Arcot* rain fell in south and west of the district, and the greatest quantity registered was 1·9 inches at Arnee. In *South Arcot* rain fell in the southern and central taluqs. In *Madura* there was a light shower in Periacolum and in *Coimbatore*, about ¾ of an inch in *Coimbatore* and *Pollachy*, and light rain in the south of the district. In *Salem* 1·35 inches were received at head-quarters, and there was a light rain in four other taluqs. In Malabar the monsoon rains continued.

4. *Grants and Outlay.*—The grants made to the 23rd June amount to 1,81,30,283, and the reported outlay was as follows :—

6. Numbers in *Kistna* shew a considerable relative increase. In Nellore a large decrease, amounting to 10,286 is accoun[illegible] a decline of 7,696 on the works made over to the D. P. W. which are now only 6,859. The rest of the decrease is generally distributed. In Cuddapah the increase is almost entirely nominal, being due to incomplete returns from the Jammalamadugu taluq last week : the fluctua-

tions in other taluqs are not important. The Taluq details for Bellary which shewa large decrease are given in the margin. The decrease in the district would have been greater, but for increased numbers on the Bellary Hubli Railway which are now 7,125 against 5,319 last week. The decrease in Hospett, Adoni, Hindupur, Pennakonda, Harpanhally, Madaksira and Anantapur is due to the recent rains. In Bellary it is ascribed to the weeding out of able-bodied persons for the railway. In Raidrug and Kudlighi the returns appear to be defective. The variations in other taluqs are not explained.

| Huvinhadgally | 8,328 | 13,227 | + 4,899 |
| Total | 296,054 | 281,899 | — 14,155 |

7. In Chingleput the increase occurs chiefly in Chingleput taluq; no report appears to have been received from the railway officer, and the numbers for last week are repeated in this week's return for the Conjeveram taluq. In North Arcot there is increase in Palmanair, but decrease in Chittoor, Chendraghiri and Wandewash. The large increase in Madura occurs entirely in the Pulney taluq and is not explained, but appears to be due to the completion of the works in hand. In Coimbatore the numbers have decreased in Pulladam and Dharapuram, but increased in all other taluqs; one of the causes assigned being that coolies who temporarily left the works to plough have now returned. In Salem district the numbers have fallen in Ahtur and Darampury, in all other taluqs there is an increase.

8. The total number under the D. P. W. is 201,101, as per enclosed statement, against 216,051 last week. The decrease is chiefly in Nellore.

9. As regards wages the new scale appears to be universally in force except in part of Jammalamadugu taluq in Cuddapah district.

* Particulars not given.

11. The numbers on gratuitous relief have again increased very largely. In Nellore the increase is under camps.

In *Cuddapah* there is increase in camps and a large increase in village relief, especially in Pulivendla and Cuddapah taluqs. Judging from the numbers reported the village relief is worked very unequally throughout the district. In Bellary there is a large increase in village relief, but a decrease of about nine thousand under 3 pie children. In *Kurnool* village relief has increased. In *Chingleput* the enormous increase of 15,795 is due to the sudden rise in numbers in camps in Conjeveram from 4,[illegible] to 15,685. The Collector will be requested to report whether this return is correct. In *North Arcot* the increase is chiefly under 3 pie children. In *Madura* the numbers on camp relief have risen in all taluqs except Pulney. In *Coimbatore* there is an increase of about five thousand in camps and relief houses, but the numbers on

Southern Taluqs of [illegible]

village relief have fallen from 2,686 to 52. The Collector will explain the reason of this. In *Salem* there has again been a large increase in village relief, which from the marginal details will be seen to be spread over the whole district.

Proceedings of the Board of Revenue

Dated 30th June 1877.

The Relief Reports for the week ending 23rd June will be submitted for the information of Government with the usual statements & maps as per margin.

2. Prices. Prices are still rising, but the rise does not seem so marked as in last week. In Kistna prices are almost stationary. In Nellore rice is risen in Kistnagheri but fallen in the adjoining Talugs & the condition of prices is on the whole easier. In Cuddapah the district averages are nearly stationary, but prices are generally lower in the Sub Division where they have been rising for some weeks past. In Bellary prices are rising and are alarmingly high in the Western Talugs. The quotations for the Harpanhally Talug are given in the margin. The price of Cumboo is the highest which has yet been reached for any of the grains in ordinary use. In Hadgally & Kudlighi prices are also very high and are rising. Prices have also risen in the Southern Talugs of Hindupur & Madakasira.

and also in Adoni there is a general rise. The District averages telegraphed for Kurnool show slightly rising prices. In Chingleput rates are nearly stationary except in Madurantakam where rice & ragi have risen sharply. In North Arcot the prices are nearly stationary but have risen in Arni & Vellore. In South Arcot prices have also risen in Tirukoilur & Tindivanam. In Madura there is little change but the price of ragi is fluctuating. In Tinnevelly there is a slight rise in two Taluqs. In Coimbatore rice, cholum & ragi are nearly stationary but the price of Cumboo has fallen probably owing to the harvest of that crop beginning to come in. This cause has affected the price of the same grain in Salem. There is a general rise in Dharmapuri & in Kistnagiri in Cholum & Cumboo. Cholum has also risen in Salem & Attur. In Malabar the District averages are nearly stationary

3. Rainfall. Some rain has fallen in all Districts except Kistna, Tinnevelly & Trichinopoly. In Nellore it was confined to the taluqs of Kandukur, Kanigiri & Udayagiri. In Cuddapah there were light showers in Sidhout, Voilpaud & Kadiri. In Bellary there was good rain in Madaksira (3.1 inches) & in Anspanchally (2.5 inches) & slight showers fell in few other Taluqs. In Chingleput there was light rain in no case exceeding half an inch in all Taluqs except in Ponnery. In North Arcot rain fell in South & West of the District & the greatest quantity registered was 1.9 inches at Arnee. In South Arcot rain fell in the Southern & Central Taluqs. In Madura there was a light shower in Periacolum & in Coimbatore about $\frac{3}{4}$ of an inch in Coimbatore & Pollachy & light rain in the South of the District. In

Salem 1.35 inches were received at Hd. Quarters & there was a light rain in four other talugs. In Malabar the monsoon rains continued

6 Numbers in Kistna shew a considerable relative increase. In Nellore a large decrease amounting to 10,286 is ~~chiefly~~ accounted for chiefly by a decline of 7696 on the works made over to the D. P. W. which

which are now only 6859. The rest of the decrease is generally distributed. In Cuddapah the increase is almost entirely nominal being due to incomplete returns from the Jammalamadugu Taluq last week: the fluctuations in other Taluqs are not important. The Taluq details for Bellary which shews a large [illegible] B. & the are given in the margin.

| Taluq | 16th June | 23rd June | |

| Total | 296054 | 281899 | -14 |

The decrease in the District would have been greater but for increased numbers on the Bellary Hubli Railway which are now 7125 against 5319 last week. The decrease in Hospet, Adoni, Hindupur, Pennaconda, Harpanhally, Madakasira, and Anantapur is due to the recent rains. In Bellary it is ascribed to the weeding out of able bodied persons for the railway. In Raidrug and Kudligi the returns appear to be defective. The variations in other

other Taluks are not explained.

7. In Chingleput the increase occurs chiefly in Chingleput Taluq; no report appears to have been received from the Railway officer & the numbers for last week are repeated in this weeks return for the Conjeveram Taluk. In North Arcot there is an increase in Palmanair but decrease in Chittoor, Chundraghiri and Wandewash. The large increase in Madura occurs entirely in the Palney Taluq and is not explained, but appears to be due to the completion of the work in hand. In Coimbatore the numbers have decreased in Palladam & Dharapuram but increased in all other Taluks, one of the causes assigned being that Coolies who temporarily left the works to plough have now returned. In Salem Dt the numbers have fallen in Attur & Darampury, in all other Taluks there is an increase.

8. The total number under the D.P.Ws is 201101 as per enclosed Statement against

21605l last week. The decrease is chiefly in Nellore.

9. As regards wages the new scale appears to be universally in force except in part of Jammalamadugu Taluk in Cuddapah Dt.

11. The numbers in gratuitous relief have again increased very largely. In Nellore the increase is under Camps. In Cuddapah there is increase in Camps and a large increase in Village relief especially in Pulivendla and Cuddapah Taluks. Judging from the numbers reported the Village relief is worked in very unequally throughout the District. In Bellary there is a large increase in Village relief but a decrease of about nine thousand under 3 pie Children. In Kurnool Village relief was increased. In Chingleput the enormous increase of 15,795 is due to the sudden rise in numbers in Camps in Conjeeveram from 4,775 to 16,685. The Collector will be requested to state whether this return is correct. In North Arcot the increase is chiefly under 3 pie children. In Madura the numbers on Camp relief have risen in all taluks except Pulney. In Coimbatore there is an increase of about five thousand in Camps and relief houses but the numbers on Village relief have fallen from 2,686 to 52. The Collector will explain the reason of this. In Salem there has again been a large increase in Village relief which from the marginal details will be seen to be spread over the whole District.
