GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

6th August 1877, No. 2,451.

Read the following paper:—

No. 64. Proceedings of the Board of Revenue, dated 16th July 1877, Miscellaneous No. 10,011.

Read the following letter from Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Ootacamund, 30th June 1877, No. 311:—

ADVERTING to G.O., No. 1,873, of 1st December last, I have the honor to inform you that I find the Manila plantain (*Musa textilis*) has been introduced on several of the coffee estates in the Wynaad, and that it grows remarkably well. Captain Cox, a coffee planter residing at Cheyrambody, who has a quantity of the plant growing on his estate, informs me that he went to some expense in trying to prepare the fibre, but that he was unable to succeed with the rude machines which he made, and he did not like to incur the expense and risk of getting out proper machinery for the purpose from England.

2. There is no doubt, I believe, as to the value of this fibre, and it is equally certain that the plant grows admirably in the Wynaad; Government might therefore be inclined to assist in starting a new branch of industry by procuring some suitable machinery from England.

SUBMITTED to Government with reference to G.O., dated 1st December 1876,
No. 1,873.
