No. 67. Proceedings of the Court o[illegible]ards, dated 17th July 1877.

Read the following letter from W[illegible] HARRINGTON, Esq., District Engineer, to W. McQUHAE, Esq., [illegible]ollector of Madura, dated Madura, 23rd June 1877, No. 77.

4. I request that if you think proper you will apply for a general Superintendent for the works in these Zemindaris; a Supervisor or well-trained upper subordinate would be able to look after them, but he should have nothing else to do. I imagine that the estimated expenditure in the two Zemindaris of Bodinaickanoor and Gundamanaickanoor may have largely increased during the last three or four years, but, however this may be, I unhesitatingly state that the officers of this department cannot look after them without their own works suffering very materially.

Superintendence of Works in the Zemindaries of Ramnad, Sivaganga, Pudukkottai.—Informing the Court of Wards that as the —— is now a Government work, the employment of Public Works Department officers upon it is undesirable, and intimating that the Court of Wards should provide their own.

this addition is a very heavy
one, the limited estimates
for the year reaching to
over half a lakh of Rupees.

Para 2 of your No 749
dated. 30th March 1875
— my predecessor states that
"The Supervision of your
Department over the Division
Confined to checking &
passing the estimates, bills
Completion Certificates
sent in by the Overseer and
the issue of such in-
structions as may from time
to time be required in connec-
tion therewith."
The "Estimates" might be
checked & passed but
those passing "Bills" and
"Completion Certificates"

the works would have to be
inspected and measured
by the Officer of the Range
or Subdivision and it is
this addition to his legitimate
duties plus the heavy res-
ponsibility that would attach
to him for the construction
& state of the works that I
am
object to and are bound
to represent.

4. I request that if you
think proper you will
apply for a Journal Super-
intendent for the works
in these Zemindaries; a
Supervisor or well trained
upper Subordinate would

else to do. I enquire that
