PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the

Commissioner of Police, Madras, dated 16th
April 1877, No. 55.

With reference to the weekly Returns
herewith submitted, I have the honor to report
that the apparent decrease of pauper acci-
dents at the Red Hills is owing to my
having been compelled to put good on
to work at digging gravel. As they
receive payment they cook for themselves
and so render it possible for the
Establishment to cook for the remainder.

There were again 500 fresh admissions
into this Camp from the Northern District
during the week, some of them in the
last stages of emaciation.

Order thereon 19th April 1877 No. 1288
