Bellary Collector's office,
Dated 29th November 1898.

From E. A. Elwin Esq.
ag: collector of
Bellary.

To The Inam Commissioner,
Madras.

Sir, In reply to your letter R.C. No 348
dated 18-11-98, I have the honour to
state as follows:—

2 In this district there are some
14,700 cases to be dealt with. Of these
5005 cases appertain to the Adoni and
Alur taluks as per details given in on
the margin. It is not known on what
data Mr. Sewell in 1892 applied for an
establishment of one clerk on Rs 20 for
each of the Adoni and Alur taluks for
3 months, and one on the same pay
in the Huzur office for 4 months for the
preparation and check of the draft
inam registers of those two taluks. From
practical experience in the Gooty and
Tadpatri Taluks, the Collector of
Anantapur finds that only about
300 cases can be dealt with by
one

one clerk in a month. Accordingly the establishment sanctioned in G. O. No. 4446 of 26.10.1892 can at the utmost deal with 2000 cases, and is therefore inadequate for the work of the Adoni and Alur taluks.

3. Deducting 2000 cases for the establishment already sanctioned in the G. O. above quoted, there will still remain 12,700 cases to be dealt with, in this district. For 6000 cases in his district, the scale of establishment proposed to be entertained by the Collector of Anantapur is two clerks on Rs 20 each for one year to write up the registers, and another clerk on Rs 25 for the same period in the Huzur office to scrutinize the work of the other two clerks. Adopting the Anantapur scale, this district would seem to require at least twice the establishment proposed for Anantapur, but as it is difficult to judge of the adequacy or otherwise of the establishment and the period for which it should be entertained, until the work is actually started,

and its results watched for some months, I would for the present ask for sanction for the following establishment for one year from first (1st) April next.

2 clerks on Rs 20 each per mensem.
1 clerk on Rs 25 per mensem.

The cost of the proposed establishment for one year amounts to Rs 780, and in my letter Dis. No 404 of 4.11.98, I requested that Rs 800 might be provided in the budget for 1899-1900. I shall report next year for what further period the establishment above proposed should be retained for the completion of the work.

4. The excess accounts of the Village Service Inams of the Adoni Taluk are being received from the Dy. Commissioner, Revenue Settlement, and I propose to shortly entertain the establishment sanctioned in G. O. No. 4446 of 26.10.1892.

I have the honor to be Sir,

Your most obedient servant,

R.C. No 348 of 98

Submitted to Government with reference to para 4 of this office Endorsement R.C. No 330 of 98 dated 7th October 1898, read in Government Order No. 4458 dated 15th November 1898 Revenue.

2 - The establishment proposed in para 3 of the Collector's letter is similar to that sanctioned for Anantapur in the Government Order quoted above and may, it is recommended, be sanctioned for a period of one year as required by the Collector. Should, by experience, this establishment be found to be adequate for the purpose, application will be made for its retention for such further period as may be deemed necessary.

3 - The necessary proposition statement will be submitted on receipt of Government sanction.

FOR ORDERS.

For carrying out the revision of quit rents on Village Service Inams, an establishment consisting of 2 clerks on Rs 20 each for 3 months for the Belur and Adoni Taluk offices and one on the same pay for 4 months for the Hugur office in Bellary dt was sanctioned in G.O 1977 dt 12-4-92. It was not entertained till now, and the Collr of Bellary proposes to shortly entertain it and take the work in hand. The total cost of this Establ. - Rs 200 - has been provided in the revised estimate for the current year. Amount charged for, if sanctioned, from the Collr. of Bellary. The Collr. of Bellary now reports that there are some 14,700 cases to be dealt

dealt with in the whole district. Of this, the establishment sanctioned in 1892 will be able to dispose of 2000 cases at the utmost, at the rate of 300 cases for one clerk for one month. There will thus remain about 12,700 cases to be attended to, and the Collr. calculates that an establishment similar to the one sanctioned for Anantapur will take at least double the time that will be needed for Anantapur, to get through the work in Bellary. But "as it is difficult to judge of the adequacy or otherwise of the establishment, and the period for which it should be entertained until the work is actually started and the results watched for some months", the Collr. now requests the sanction of Govt. for the above establishment to be

2 clerks at Rs 20 each in the Taluk office
 & 1 clerk at Rs 25 in the Huzur office to check the work of the Taluk clerk.

Page 3 of Collr's letter

The Sett. Party in Anantapur will have no work after March next, until the 1st of June. In the interim, I think it should be suggested to the Collr. that the Sett. Party should be put in charge of the work of the Taluk office. This would be suitable for the purpose.

for the present entertained for one year, from 1st April next.

2. The main Commr. supports the Collr's request. As already observed, the a similar establishment on the same scale was sanctioned for Anantapur in G.O. 4458 M. Provision has already been made in the main budget for the next year, for temporary establishments in Bellary and Anantapur. The sum of Rs 1500 therein provided covers the cost of these establishments in the two districts:-

For 10 months in Anantapur

2 x 20 x 10 = 400
 1 x 25 x 10 = 250
 650

For 1 year in Bellary:-

2 x 20 x 12 = 480
 1 x 25 x 12 = 300

Total - Rs 1430
