To H. C. Stokes Esquire
Secy, Board of Revenue

Sir
It is, I think highly desirable that
some special means should be taken
to induce the Students of the School
of Agriculture to take copious notes at
the Lectures they attend and to work up
these notes in their note Books, in a
form that will render the information
contained useful not only during the
time of tuition but, in after-life, accord-
-dingly I have the honor to solicit
sanction for permission to offer

3 prizes for Note Books on each of the following subjects; - Agriculture, Botany, Chemistry, Veterinary and Botany, that contain the fullest information from lectures and other sources and are kept in the neatest condition. The prizes should I think, be first Rs 7½, second Rs 5, third Rs 2½ in each instance. The amount thus to be awarded would be in all Rs 75. The prizes to be given at the end of the first session.
