GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

28th August 1877, No. 2598-A.

Famine Relief.

Read the following papers:—

No. 415-A. Proceedings of the Board of Revenue, dated 10th July 1877, No. 3,225.

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Bomur, 30th June 1877, No. 527:—

The Accountant-General in his Objection Statement, dated the 28th March last, disallowed the special batta paid to the establishment of the Deputy Collector, Anantapur Division, under G.O., No. 837, dated 27th February last.

2. This order seems to have been passed on the Board's Proceedings, No. 763.

to temporary servants as the salaries of temporary (munstans and Peons) have been settled with reference to the dearness of provisions resulting from the present scarcity.

3. The Deputy Collector says that the salaries of his establishment were not settled with reference to the dearness of the provisions, but that they have been appointed on the scale allowed to all Deputy Collectors on General Duty, and therefore requests orders for the payment of the batta.

4. It is true that their salaries were not fixed with reference to the dearness of provisions, and in no case of appointment on the extra establishment has this course been followed in this district. Some of the servants on the permanent establishment have been generally given the temporary appointments on a small increase of pay. It will not, I think, be just not to pay them any special or travelling batta in these hard days.

5. I have therefore the honor to submit the matter for the favorable consideration and orders of the Board.

SUBMITTED for the favorable consideration of Government.

2. As the salaries have not been fixed in the cases referred to with reference to the dearness of provisions, the Board think that special famine batta should be granted.

3. The Collector also alludes in paragraph 4 to travelling allowance, but the Government Order quoted has no reference to this, and it is not clear what objection has been taken. Perhaps the double batta sanctioned in G.O., dated 17th March 1877, No. 1,130, is referred to.

True Copy—Forwarded to the Additional Under Secretary to Government, Revenue (Famine) Department, with reference to his Official Memorandum, No. 303, dated 23rd July 1877, with the remark that the Additional Sub-Collector's establishment herein referred to is that retained with some modification for the Special Deputy Collector, Anantapur, under G.O., No. 923-A, of 3rd March 1877, Revenue.

No. 415-C.

ORDER THEREON, 28th August 1877, No. 2598-A.

Miscellaneous.

Is G.O., 28th May 1877, No. 1829-B, the grant of batta under G.O., 5th January 1877, No. 41, Financial

Department, has been refused to servants temporarily entertained. His Grace the Governor in Council considers that there are no grounds for the grant of such batta in the present case or generally to servants entertained temporarily whether directly or indirectly on account of relief operations.

2. The Accountant-General's objection will of course stand.
3. No question regarding the double travelling batta granted in G.O., 17th March, No. 1,130, seems raised.
