Read the following paper :—

No. 415-E. Proceedings of the Board of Revenue, dated 11th August 1877.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 3rd August 1877, No. 475.

I HAVE the honor to forward herewith an estimate, amounting to Rupees 10,850, prepared by Overseer Vydinada Iyer, and countersigned by the District Engineer, for constructing and completing the road from Sowdapalli to Candoor, in the Punganoor Zemindari, which forms Item No. 4 in the second enclosure to Board's Proceedings, No. 3,326, dated 29th December last. A sum of Rupees 6,000 having been originally sanctioned for this work by the Board in the above Proceedings, the amount now requiring the Board's sanction is only Rupees 4,850. Originally no estimate was prepared. The present estimate, carefully framed, gives the exact distance and the full amount required for a thorough completion of the road. It is an important line of communication and its early completion is [illegible] I have the honor, therefore, to request that you will be good enough to obtain the early sanction of the Board for the additional allotment of Rupees 4,850 now required.

The estimate now submitted is beyond the Board's competence, and will be submitted for the sanction of Government.

2. The road appears in the list approved in G.O., dated 5th January 1877, No. 38, and is marked on the accompanying map.
