PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th July 1877.

Read again Collector's letter, dated 8th February 1877, No. 95, recorded in Board's Proceedings, dated 28th February 1877, Miscellaneous No. 3,012.

Read also the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Sydapet, 4th April 1877, No. 236 :—

With reference to Board's Miscellaneous Proceedings, No. 3,012, dated 28th February last, I have the honor to forward herewith a statement showing the different rates of quit-rent prevailing within the precincts of Poonamallee Cantonment and the area under each rate at present compared with that registered in the accounts.

The foregoing letters will be submitted for the favorable consideration and orders of Government.

2. In the first letter read above the Collector submitted for orders the application of one Thathachariar for reduction of quit-rent on a bungalow and compound belonging to him situated within the Cantonment of Poonamallee. The land is a little over two cawnies and a half with an annual quit-rent of Rupees 33-14-6 or Rupees 13-8-0 per cawny. This rate being heavier than the highest nunjah rate (Rupees 8-8-0 per cawny) in the village, the Collector recommended its reduction to Rupees 5-4-0 a cawny, as was done in the case of lands held by Serjeant-Major Donoghue, vide G.O., 23rd June 1869, No. 1,776, and the extension of the indulgence to other lands in the Cantonment similarly assessed.

3. The second letter contains a statement showing the different rates of quit-rent prevailing within the Cantonment, but the rate on the land under reference does not appear in it, from which the Board gather that no other sites are assessed at that rate.

4. The case now submitted is similar to that disposed of in the Government Order quoted; and, as some of the existing rates are heavy, the Board request sanction for reducing those above

Rupees 5-4-0 a cawny to that rate. The reduction can be effected from Fasli 1287. The amount of revenue involved is Rupees 95-1-3 as shown below:—

Quit-rent on the bungalow and compound belonging to Thachachariar within the Cantonment limits of Poonamallee in Chingleput District.—Submitting to Government letters from Collector regarding— and requesting sanction for reducing the rates of quit-rent above Rupees 5-4-0 a cawny to that rate.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

30th August 1877, No. 2,610.

Read the following paper:—

No. 454. Proceedings of the Board of Revenue, dated 28th February 1877, Miscellaneous No. 3,012.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 8th February 1877, No. 95.

I HAVE the honor to submit, for the favorable consideration and orders of Government, the claim of one Addamghy Teroomala Lutchmee Narasima Comara Theroovengada Thathachariar for reduction of quit-rent on a certain bungalow and compound recently purchased by him within the Cantonment limits of Poonamallee.

2. The land in question consists of 2 cawnies, 12 grounds, and 15,834 square feet, subject to the payment of an annual quit-rent of Rs. 33-14-6, being at the rate of Rs. 13-8-0 per cawny, and is held on two Government grants Nos. 339 and 340. A portion is entered in the old pymaish and other accounts as Nattam, and the rest as well Nunjah. In either case the assessment seems unduly heavy, the highest nunjah rate of the village now being only Rs. 8-8-0 per cawny, or Rs. 6-6-0 per acre; and I have the honor to request that the Board will obtain the sanction of Government for reducing the quit-rent to Rs. 5-4-0 per cawny, as was done in the case of Mr. Donoghue of St. Thomas' Mount (*vide* G.O., 23rd June 1869, No. 1,776).

3. It appears that there are a few other grant lands in Poonamallee which are assessed at the same rate, and I find that the late Colonel Impett's property is one of them. I would recommend that the reduction now recommended be extended to these cases also.

4. The present heavy assessment seems to have been fixed with reference to the old Totacal rates which ranged up to 21 per cawny, and under which all nattam lands were once included.

THE Collector will submit a statement showing the different rates of quit-rent prevailing within the Poonamallee Cantonment limits and the area under each rate at present compared with that registered in the accounts.

Sir,

I have the honor to submit for
the favorable consideration of the Board the claim of
one Aditya Srinivas Subrahmanya Narasimha
Chowda Srinivasada Theachari for
redemption of quit rent on a certain Pottam
and compound, recently purchased by him
within the Cantonment limits of Ponnammallu.

2. The land in question consists of
Cawny 2 Ponnals 12 and square feet 15800,

the old Pymouth and other accounts as Nathan,
 and the rest as well as Nungah. In either case
 the assessment seems unduly heavy - the highest
 Nungah rate of the village now being only Rs. 8-0-0
 per Caung or Rs. 6-6-0 per acre - and I have
 the honor to request that the Board will obtain
 the sanction of Govt. for reducing the quit rent
 to Rs. 5-4-0 per Caung, as was done in the
 case of Mr. Donahue of St. Thomas Mount
 (vide G.O. 28th June 1869 No. 1776).

3. It appears that there are a few
 other grant lands in Poonamallee which are
 assessed at the same rate, and I find that
 Mr. Col. Supter's property is one of them.
 I would recommend that the reduction now
 recommended be extended to these cases also.

4. The present heavy assessment
 seems to have been fixed with reference to the
 old total rates, which ranged up to 21 per
 Caung, and under which all Nathan lands
 were well included.

I have the honor to be,
 Sir, A. W. Badlow
 Collector.

The Collr. will submit a statement
 showing the different rates of quit rent prevailing
 within the Poonamallee Cantonment limits and
 the area under such rate at present compared with
 that assessed in the accounts.
