Sf. 26th April 1877.

Read the following;

Extra No. 785.

From,

J. J. Price Esquire
Ag Collector of Buddapah

To,

H. E. Stokes Esquire
Secretary to the Board of
Revenue, Madras.

Board No. 4232

Sir,

I have the honor, with
reference to Form No. 5, attached to the
Proceedings of the Board of Revenue
No. 1150, dated 13th Ultimo, to enquire
what the bill referred to in Column
4 should show.

2. Am I correct in presuming
that it should be the account
showing the numbers of the coolies
and amount paid to them and
the

the charges for sundries and
minor supervision; that is what
the particular work has cost, not
taking into account the proportion
chargeable for higher Superintendence
and tools?

3. I would further feel favoured
by information as to whether the
value of the work, to be shown in
Column 8, is to be calculated at
the ordinary S. P. W. rates of the
part of the District in which it
has been carried out or not.

I have the
honour to be,
[Sd.] J. J. Price
Ag. Collector
Cuddalore
17 April 1877

The Completion certificate
No 5 should show only the total
cost of the work. Particulars of the
cost in money grain & petty
Establishment

Establishment &c should be shown
in the bill to accompany the com-
pletion certificate. Share of higher
supervision or of cost of tools should
not be included.

2. The value of the work done at
the estimated rates, which (except
allowance for such matters, as en-
hanced cost of carriage of material
owing to rocky labour being used
instead of carts and such like)
should be the ordinary rates, is to be
entered in Column 8. No rates enhan-
ced, on account of inefficiency of
relief labour should be used in
estimates.
