three out of the four Kurnu Inspectors who were engaged upon Village Relief in the Quaddapah Taluk, and that three more men, in addition to those already sanctioned in the Board's Proceedings, and three peons will be required.

3 I therefore beg that the Board will be pleased to permit the entertainment of three Inspectors upon Rs 20 + Rs 10 horse allowance and three peons upon the usual rates, as well as to allow the two Inspectors, recently entertained to draw a horse allowance of Rs 10.

4 I have authorized Mr. Maclean to take the men mentioned above, on.

5 I observe that the Board in their Proceedings marginally noted, are doubtful as regards the employment of peons. I have been doing some thing of late in the way of sending in people to the Relief Camps and I find that unless a peon, or some one in authority, takes charge of them they will in nine cases out of ten, slip off and go wandering about the country begging a little food. They seem to prefer this

this vagrant life and an empty
stomach, to the comparatively
liberal feeding and confinement
of a Relief Camp.

6. I decidedly consider
precious necessary for every officer
who has to do with Relief
work.
