GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

1st September 1877, No. 2,628-B.

Famine Relief.

Read the following paper:—

No. 18-C. Proceedings of the Board of Revenue, dated 18th August 1877, No. 3,875.

Read the following letter from Major A. G. MURRAY, Special Relief Officer, Chingleput District, to R. W. BARLOW, Esq., Collector, Chingleput District, dated St. Thomas' Mount, 5th August 1877, No. 294:—

* * * * * *

5. As I have already pointed out, this demand for fresh returns and statements both from the Board of Revenue and the Account Department is becoming so incessant that to meet such demand with anything like exactness and despatch a regular office of account is required at each large relief camp. I have nothing of this kind, and I am unable of myself to obtain the material for such establishment. All I can do—and this is done with great difficulty—is to get through in a sort of happy-go-lucky fashion the very great amount of work entailed upon the small and much-overtaxed offices at my large and crowded camps.

I see no good under these circumstances, urgently require of you that you will be so good as to obtain for me either from the [illegible] Department or from the Department of the Revenue Board one well-qualified Clerk acquainted with accounts, statements and returns for each of my camps of Palaveram and Tirumeshi.

N.B.—The Treasury Deputy Collector's remark that no other Relief Officer in the district in correspondence with his office has made the same objection as I have does not very much surprise me when I consider the fact that no such other officer has the same reason considering the difference in amount of work.

No. 598.

Submitted to the Board of Revenue for favorable consideration and orders.

2. The Collector requests that the Board will be good enough to depute two Accountants on any salary they may fix.

(Signed) R. W. BARLOW,
Collector.

Sydapett,
11th August 1877.

The sanction of Government is requested for the entertainment of two Clerks for the preparation of returns and accounts in connection with the two camps under Major Murray. Their salaries might be fixed at 20 Rs. per mensem.

2. The Board are unable to spare any hands from their establishment. The Collector must procure suitable men.

No. 18-D. ORDER THEREON, 1st September 1877, No. 2,628-B.

Miscellaneous.

THE entertainment of two Clerks on 20 Rs. each for the camps at Palaveram and Tirumeshi seems hardly necessary; on the Collector's representation however they are sanctioned. From G.O., 31st January, No. 449, it is observed that three Gumastahs have already been sanctioned for the Palaveram camp.

2. The Collector will submit a statement of despatch of business showing the number of returns, &c., relating to the camps to be submitted by Major Murray, as well as a complete list of the existing establishment.

3. It is observed that though requiring sanction no list of establishment for several of the Chingleput camps has been submitted to Government.
