GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

3rd September 1877, No. 2,629-B.

Famine Relief.

Read the following papers:—

No. 21-C. Proceedings of the Board of Revenue, dated 27th August 1877.

Read the following letter from P. SUBBIE, Deputy Collector, to W. McQUHAE, Esq., Collector of Madura, dated 14th August 1877, No. 587.

I HAVE the honor to request that sanction may be obtained for the entertainment of the following additional establishment in connection with the relief works:—

6 Paymasters, at 15 Rs. each	Rs. 90
12 Peons, at 6 Rs. each	72
Total	162

2. There are six paymasters already employed in connection with the relief works, and I have in my letter, dated 17th July 1877, No. 515, applied for three or more. As it is likely that a number of tank works will be started shortly, and as one paymaster will have to be employed on each work, the number above recommended is necessary. Paymasters will be entertained only as occasion may arise.

3. The peons above recommended are required for escorting the wandering paupers and those who are drafted for work from the relief camps to the place of work, and exacting work from them to carry money, implements, and tappel to the several works. Up to this time I avoided appointing additional peons, but now find the permanent staff of peons in the taluq quite unequal to the above additional works.

4. In conclusion, I request your authority to entertain any number of the strength above recommended if expedient, in anticipation of sanction of Government.

No. 553.

SUBMITTED to the Board of Revenue for sanction. I have authorized the Deputy Collector to entertain any part of the establishment now applied for in anticipation of sanction.

(Signed) W. McQUHAE,
Collector.

19th August 1877.

SUBMITTED to Government with the request that sanction may be granted for the establishment applied for, to be taken on as required.

ORDER THEREON, 3rd September 1877, No. 2,629-B.

Miscellaneous.

HIS GRACE the Governor in Council sanctions the entertainment of six paymasters on 15 Rs. each and twelve peons on 6 Rs. each, to be taken on as required, subject to the Collector's sanction.

2. The need for the services of such a large number of peons is not apparent, and they should be sanctioned only on good cause being shown.
