Revenue Department, 3rd September 1877, No. 2,633-F.

No. 361.

SUBMITTED to the Board of Revenue with the request that the above letter may be substituted for one of the same number and date forwarded with this office endorsement, No. 352, dated 4th instant.

2. The Collector's remarks in his foot-note about Badrachellam Pillai are, of course, now unnecessary.

TRICALORE,
8th August 1877.

(Signed) F. R. SHARP,
Acting Collector.

SUBMITTED to Government with the request that a Deputy Tahsildar of the second grade with the office establishment proposed, which appears moderate, may be sanctioned during the continuance of the present pressure. The papers quoted in support of the application show that the necessity for strengthening the taluq establishments in Kallakurchy was pressed on the attention of the Board and Government in 1873 and recognized when the condition of the district was not so critical as it is now. Heavy arrears of work have accumulated, as shown by the statement submitted, and in addition measures for the relief of the distressed must be organized and supervised.

2. In the letter, for which the communication read above has been substituted the Collector requested sanction to hire a pony jutka at a cost of Rupees 25 per

might in that case be left in charge of the village officers, otherwise a special clerk on Rupees 20 per mensem would be required for each. This recommendation has been omitted in the present letter apparently through an oversight. The Board would recommend the grant of travelling allowance at the usual rate Rupees 15 to enable the Tahsildar to keep a vehicle or pony.

Miscellaneous.

THE appointment of a 2nd-Class Deputy Tahsildar for Kullakurchy with the establishment proposed is sanctioned. It is observed, however, that the case seems to come within the general sanction given by G.O. No. 1,431, dated 6th October 1876.

2. A horse allowance of 25 Rupees a month for the Tahsildar of the taluq is also sanctioned under the terms of the Government of India letter of the 27th August 1877, No. 748.
