REFERRING to G.O., No. 2315, dated 16th July 1877, paragraph 4, I have the honor to report that orders were issued, on the 23rd ultimo, to all the Tahsildars in the district, directing them personally to inspect and submit fortnightly reports on the estimated outturn of crops—rice, cholum, raggi and cumbu—harvested.

2. Eight Tahsildars have sent in their reports for the fortnight ending the 31st ultimo. The result of which is, there was no harvest of rice, cholum, raggi or cumbu in the fortnight in the taluqs of Madanapully, Budwail, Voilpaud and Pulivendula; that in the remaining four taluqs, Kadiri, Sidhout, Proddatur and Pullampett, rice, cholum and cumbu were reaped; and that the estimated outturn was as follows :—

| | Garce. |
|---|---|
| Rice ... ... ... ... | 65½ |
| Cholum ... ... ... ... | 82½ |
| Cumbu ... ... ... ... | 16½ |

3. As the orders were issued rather late for the fortnight now reported on, it is hoped that the reports for the next fortnight will be more satisfactory and complete.
