Dated the 27th August, 1877.

Sir,

In reply to your Letter No. 2265 B dated the 9th Ultimo I am directed to state that the Accountant General of Madras was correct in assuming that the orders of the Government of India referred to were intended to withdraw all special Famine allowances: except such as had received the separate express sanction of that Govt.

2. As regards the allowances to Tehsildars

Tehsildars and Dep[illegible]dars, His Ex-
cellency the Governor General in Council con-
siders that being in a position much lower
than that of Deputy Collectors it is not un-
reasonable that they should receive some al-
lowance in cases when they are obliged
for the efficient performance of their duty,
to maintain and actually do maintain
more carriage (pony bullocks or the like) than
they are expected to maintain in ordinary times.
This principle has apparently been followed
by the Madras Government in the case of Mi-
litary Officers (Vide Progs No 2063 B of 20th
June). His Excellency the Governor General
in Council is therefore pleased to sanction
the payment of travelling allowances of Rs
25 and Rs 15 per mensem to Tehsildars
and Deputy Tehsildars respectively, whenever
the Collector certifies that they the above
conditions have been fulfilled.

3. The same principle may be
adopted in the case of L[illegible]al Fund or
Municipal Hospital Ass[illegible]nts, due vigi-
lance

exercised [illegible] case
Progs No 2178 A of the
not any abuse.

I have the honor to be

Your most obedient servant
