GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

6th September 1877, No. 2,656-A.

Famine Relief.

Read the following papers:—

No. . From J. A. DAVIES, Esq., Acting Head Assistant Collector of Tinnevelly, to J. B. PENNINGTON, Esq., Collector of Tinnevelly; dated Nannagaram, 16th August 1877, No. 322.

I HAVE the honor to submit my 3rd report on the result of the introduction of the new scale of diet sanctioned for paupers in Relief Camps in the Proceedings of Government, No. 1,648, dated 5th May 1877.

2. Subsequent to my last report in the matter, I have received the inspection report of the Hospital Assistant attached to your office on the Relief Camp at Ottapidaram, which I have also myself again inspected. I believe, as the Hospital Assistant says in his report to you, dated 19th July last, that some of the paupers have gained strength, and generally there has been an improvement in their physical condition. This is, no doubt, due to the higher rates of rations prescribed.

3. Arrangements are being made to remove the sick paupers to Tuticorin, where they will be placed under the treatment of the Assistant Apothecary as a temporary measure.

4. I presume this report will in future be unnecessary, as the higher scale of rations, on the effect of which it was ordered to be made, has been generally abolished by G.O., No. 2372, dated 24th ultimo.
