No. 97-A. Proceedings of the Board of Revenue, dated 23rd August 1877.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Cuddapah, 15th August 1877, No. 439.

I HAVE the honor to transmit, with the request that the necessary sanction may be accorded thereto, a specification report, data list, and abstract estimate amounting to Rupees 29,150 for collecting metal and gravel for the road from Nundialampett to Prodattur in the Proddattur Taluq.

2. This road is in exceedingly bad order in many places, and has never been completed. It is the line of communication between Budwail and Proddatur and runs through a portion of the country along which there is much cultivation.

3. It is most desirable that the line, which is the main one of the taluq, should be completed.

THE estimate will be submitted for the sanction of Government.

2. The road is marked on the accompanying sketch map. The estimate provides for the collection of material for metalling the road 21 miles in length, and for its thorough repair so that no further outlay will be required for some years to come.
