GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

6th September 1877, No. 2,660.

Famine Relief.

Read the following paper:—

No. 102. From C. BERNARD, Esq., C.S.I., Additional Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce (Agriculture and Horticulture—Famine) to J. H. GARSTIN, Esq., Additional Secretary to the Government of Madras, Revenue Department, dated Governor-General's Camp, Bellary, 28th August 1877, No. 753.

With reference to your letter, No. 2,524, dated the 17th August, I am directed to state that His Excellency the Viceroy is satisfied that His Grace the Governor will cause what is possible to be done towards the early publication of information respecting prices, and towards the early submission of reports to the Government of India.

2. I am, however, to suggest, with reference to your second paragraph, that either written or telegraphic information regarding Madras prices might be sent weekly to the Calcutta and Rangoon newspapers, as it is from those ports that we are expecting supplies. A telegraphic summary of Madras prices sent every Tuesday to the *Englishman* newspaper in Calcutta and to the *Rangoon Times* might, if it had the authority of Government, be of much use to merchants.

No. 103.

ORDER THEREON, 6th September 1877, No. 2,660.

Miscellaneous

A TELEGRAPHIC summary of Madras prices will be telegraphed every Wednesday to the Calcutta *Englishman* and the *Rangoon Times*, as suggested.
