Famine Relief.

Read the following letter :—

No. 108. Endorsement of the Surgeon-General, Indian Medical Department, dated Fort St. George, 25th August 1877.

Read the following letter from Surgeon-Major C. A. ANDREWS, Medical Officer, Coonoor and Kotagerry, to Surgeon G. BIDIE, M.B., F.L.S., Secretary, Surgeon-General, Indian Medical Department, Madras; dated Coonoor, 25th August 1877, No. 127 :—

In accordance with circular memorandum, No. 9, of 29th January 1877, I have the honor to report :—

(a). No change.

(b). Sufficient.

(c). A very heavy fall of rain occurred on the 22nd instant. It lasted only about half an hour, but 1.82 inch was registered. It has refreshed the springs and filled the supply channels. Slight showers since, accompanied by thunder, indicate that the south-west monsoon is at an end.

(d). There are no relief works, but relief camps both here and at Burliar for feeding the starving, who are helped on to the low country if able to travel; it is thought inadvisable to detain them here on account of the cold.

(e). No cholera, no fresh cases of small-pox, fever (mostly tertian ague) prevalent, also diarrhoea and dysentery.

(f). None from epidemic, eleven in hospital and one out, the result of starvation.

(g). As before, 3rd-class Hospital Apprentice Panchanadum Pillay is deputed to see the applicants for relief fed at the Tahsildar's Cutcherry, and to attend to the sanitary condition of the camp.

Forwarded to the Additional Secretary to Government, Revenue Department, for the information of Government.
