GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

7th September 1877, No. 2,673-A.

Famine Relief.

Read the following paper:—

No. 127-A. Proceedings of the Board of Revenue, dated 3rd September 1877, No. 4,066.

Read the following letter from H. SEWELL, Esq., Acting Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated Trichinopoly, 23rd August 1877, No. 297:—

I HAVE the honor to submit a further estimate for Rupees 6,700 for continuing the repair of Coleroon Southern embankment beyond Srirangam north gate westward, as the amount of Rupees 6,800, sanctioned in Board's Proceedings, dated 20th instant, No. 3,896, for the repair of the bank up to that point will be soon expended. The number on the work in consequence of the unfavorable state of the season daily increases. There are now about 4,000 coolies on the rolls, and this will very soon come up to about 6,000. I therefore request the favor of the Board to sanction the amount of the estimate at an early date to enable me to continue to provide work for the destitute, when the present portion is completed.

The two estimates jointly being in excess of the sum within which the Board are competent to sanction, the estimate now provided will be submitted to Government for approval.
