Read the following paper:—

No. 156. Proceedings of the Board of Revenue, dated 4th September 1877, Miscellaneous No. 12,190.

Read the following letters:—

From J. G. FERRAND, Esq., Acting Superintendent of Stamps, to C A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Madras, 23rd August 1877, No. 1,136.

In reply to the Proceedings of the Board of Revenue of the 20th instant, Miscellaneous No. 11,617, I have the honor to forward, herewith, a supplemental indent for stamped papers, &c., required for the use of this Presidency for 1878-79, prepared with reference to the instructions contained in the despatch from the Right Honorable the Secretary of State for India, dated 12th April 1877, No. 125, communicated with Board's Proceedings of the 7th July, Miscellaneous No. 9,681.

2. This indent is supplemental to that referred to in the Proceedings of Government, 16th instant, No. 2,511. It is doubtful whether any of the stamps included in it are available either at Bombay or Calcutta. Bombay has a surplus only of four* denominations required here, and can supply this Presidency only after it is known what Calcutta does not require. No reply has been received to two references made by me to Calcutta (on the 1st and 14th instant) on the subject, and it is partly on this account that the transmission of the present indent has been delayed.

I would therefore request that you will be good enough to strike them off from my indent submitted with the above.

Indent of Stores required for the Stamp Department, at the Presidency of Madras, for the service of the Indian Government.

I HEREBY certify that the Stores enumerated in this Indent are absolutely required for the service of the Stamp Department for a period of twelve months; and I further certify that I have by a personal inspection of Books and Stores satisfied myself that they comprise the least possible quantity necessary for the above period.
