Sir,
I have the honor to submit an application for an increase of pay and to request that you will do me the favor to take the matter into your favorable consideration.

The Deputation allowance granted to me ^{in 1876} is insufficient to meet my ordinary expenses, in consequence of the high prices of every thing. I had hoped before coming up here that the above named allowance together with the allowance granted would suffice for all my wants. I beg respectfully to state that on this monthly allowance I am really unable to maintain myself as I have been accustomed to do owing, as I have already said, to the dearth of every article of food &c in this District.

I have no wish to make an unreasonable request, nor do I wish to give up my present duties in connection with the Hamine Works, but I fear that unless some increment is made to my pay, I shall really be

be obliged if necessary to give up a post
which is positively, as regards the
instruments connected with it - a dead loss
to me.

I will not shrink from performing
or work which may be required of me,
and since my arrival here have done my
duty conscientiously and worked hard;
but as regards this I will leave my
superior officers to judge.

In conclusion I beg to solicit that
you will be so good as to think favorably
of my request and to give me such an
increase to my present allowance, as
would in your opinion, suffice to enable
me to meet all ordinary expenses without
inconvenience, as has hitherto been the
case.

I have the honor to be,
Sir,
Your most obedient servant,
G. Mischke
