No. 174. Endorsement of the Chief Secretary to Government, dated Fort St. George, 6th September 1877, No. 1,693.

Proceedings of the Board of Revenue, dated 24th August 1877, No. 3,953.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 16th August 1877, No. 507.

I HAVE the honor, with reference to the Proceedings of the Board, dated 8th February last, Miscellaneous No. 1,908, to state that the Deputy Conservator reports to me that the Rs. 3,000 therein sanctioned out of Famine Funds for deepening wells and watering trees on the plantations will be exhausted about the end of this or the early part of next month, and that as the matter appears to be getting worse instead of better, he does not know what he can do to give his coolies employment when the money allotted has been spent. He is anxious to keep them because they understand planting; and he is afraid that if once they are dispersed, it will be a difficult matter to get them together again, and fresh coolies are not obtained under some months.

2. A sum of Rs. 5,000 has been sanctioned in the budget for plantations, but as there are about 60,000 plants 3 feet high in the nurseries ready to plant out when the rains come, the whole of this money will be required for planting, and cannot be spared for doing odd jobs to keep the coolies together.

3. The Deputy Conservator, therefore, applies for a further grant of Rs. 1,000 from Famine Funds to give employment to the coolies, who will otherwise be thrown out. They will be employed in watering the large plants remaining alive, repairing fences, plantation huts and tool sheds, removing from the plantations prickly-pear, and other useful work. I beg accordingly to request that the Board will be pleased to sanction the allotment of Rs. 1,000 asked for by the Deputy Conservator from Famine Funds.

SANCTIONED, the work being a useful one and employment required.

Acting Secretary.

TRANSFERRED to the Financial Department, as under the ruling of the Government of India in their Resolution recorded in G.O., No. 1,933, dated 9th June 1877, in this Department, it would appear that the charge must be adjusted against the Forest Budget.
