GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

12th September 1877, No. 2,705.

No. 191. Proceedings of the Board of Revenue, dated 6th September 1877, No. 4,136.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 29th August 1877, No. 645:

With reference to G.O., No. 132-I, Public Works Department, dated 3rd July 1877, and the Board's Miscellaneous No. 10,462 of the 25th idem, I have the honor to state that the best course for utilizing the unsubmerged portion of the bed of the Chembrambaukum tank will be, in my opinion, to invite tenders annually for the exclusive right of grazing cattle thereon, notifying in the District Gazette the area probably available, calculated on the average unsubmerged of the past five years. If this is done, capitalists from the surrounding villages or Madras will, I think, come forward, though not this famine season.

2. As ploughing cannot be permitted, I do not think that the area can be utilized for growing hay or in any other way.

SUBMITTED for the orders of Government with reference to the Government Order quoted.

2. The Board support the Collector's recommendation: they think it would be well to grant annual leases of the area available for grazing at first; the term might afterwards be extended to three years if the system answers.
