GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

12th September 1877, No. 2,712.

Famine Relief.

Read the following paper:—

No. 203. Proceedings of Government, dated 12th September 1877, No. 2,712.

Miscellaneous.

WITH reference to the Circular telegram of the 8th September 1877, Nos. 624 to 635, Collectors of distressed

districts are informed that the Military and Civil Officers from Bengal, now arriving and being posted to their districts, are intended primarily to assist them in the supervision of village-relief and in checking fraud in connection therewith, if it exists.

2. Each officer should have charge of a taluq and should itinerate through the villages sending brief weekly diaries to the Collector or Divisional Officer for information. If this duty does not fully occupy his time, he may be put on such other famine duties as the Collector may think fit to assign him in his taluq.

3. Every endeavor will be made to supply such of these officers with tents as have not brought these with them; but it will probably be found that the erection of leaf houses in one or two places in their taluqs will render their movements easier by saving the necessity for carrying tents about, and at the same time afford them better shelter during the monsoon.
