GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

13th September 1877, No. 2,715.

Read the following paper:—

No. 223. Proceedings of the Board of Revenue, dated 4th September 1877, Miscellaneous No. 12,202.

Read the following letter from J. LARPENT, Esq., Officiating Assistant Accountant-General, Madras, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Fort St. George, 11th August 1877, No. 5,189:—

In reply to the Board's Proceedings, No. 10,994, dated 7th August 1877, I have the honor to say that the sanction conveyed in G.O., No. 1,837, dated 22nd December 1875, was not apparently intended to have annual effect, inasmuch as by it the Government Order sanctioned the Board's recommendation that Mr. W. C. Hayne, Deputy Conservator of Forests, should be allowed the difference between his ordinary travelling allowance and Rs. 10 per diem during the period he spent on the hills, apparently in the year 1875, to represent the Government interest in the settlement of the hill boundary line between Tinnevelly and the State of Travancore.

Submitted for the orders of Government.

2. The Board have no doubt that it was intended that Mr. Hayne should draw the special travelling allowance so long as he was engaged on the special work, but, as pointed out by the Acting Assistant Accountant-General, it is possible to construe the Board's recommendation recorded with G.O., dated 22nd December 1875, No. 1,837, as having reference only to the period already spent on the hills.

Enclosure, No. 1.

Proceedings of the Board of Revenue, dated 7th August 1877, Miscellaneous No. 10,994.

Read the following letter from W. C. HAYNE, Esq., Deputy Conservator of Forests, to J. B. PENNINGTON, Esq., Collector of Tinnevelly, dated Kytor, 10th July 1877, No. 83.

I have the honor to inform you that Government, in their Order, No. 1,837, of 22nd December 1875, sanctioned me extra travelling allowance while engaged with the demarcation of the Tinnevelly-Travancore hill boundary, and from Board's Proceedings, No. 152, of 19th January 1876, I concluded that this privilege could be availed of annually until the special work of settling the hill boundary was completed.

I last year drew the extra allowance on the strength of the above Government Order and Board's Proceedings without let or hindrance; however on doing the same this year the Accountant-General has declined to pass the bill without the countersignature of the Conservator, and on referring the matter to the Conservator I am directed to apply through you for the extra allowance. I therefore request you will be good enough to obtain the sanction of Government to draw the extra allowance for the past season, and if you see fit that it may be drawn annually until the completion of the work without a fresh application being made annually.

No. 463.

SUBMITTED (in original to be returned) for the favorable consideration and orders of the Board of Revenue.

(Signed) J. B. PENNINGTON,

THE Accountant-General will be requested to state whether he has any objection to pass the bill on the countersignature of the Collector, who is more immediately concerned than the Conservator with the special work in question.
