No. 243. Proceedings of the Board of Revenue, dated 1st September 1877, No. 4,060.

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Dindigul, 22nd August 1877, No. 560.

I have the honor to submit for sanction an estimate of Rupees 7,500 for a road from Erode to Ayalur, with the usual application and sketch map. This work is proposed to be taken up as a famine relief work in case of necessity. Tank works cannot much longer be depended on, as a sudden fall of rain may at any time fill the tanks sufficiently to render their working impracticable. It is improbable that such rain will have an immediate effect in removing the demand for labor, and road work may have to be commenced through necessity. The road from Erode to Ayalur is a very important line, as Ayalur is a Railway station.
