Copper Coin.

Read the following paper:—

No. 35. *From A. WEDDERBURN, Esq., Collector of Coimbatore, to the Officiating Chief Secretary to Government, dated Coimbatore, 28th April 1877, No. 66.*

I have the honor, in reference to G.O., 10th April 1877, No. 1223, to state that many years ago, in 1868 I think, my attention was attracted by the large accumulation of copper in the Treasury, and I got the surplus transferred to other districts where it was more in demand.

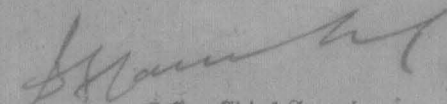

2. The result has been that the copper currency in this district has not been depreciated, but in view to its maintaining its full value in this time of famine, the suggestion of the Accountant-General to exchange Notes and Silver for copper will be duly attended to.

3. Action has already been taken at the Huzur and Cusbah Treasury, and an exchange made to the value of Rupees 4,000.

No. 36. ORDER THEREON, 3rd May 1877, No. 1411.

Communicated to the Accountant-General, to the Revenue (Famine) Department, and to the Board of Revenue.
