REVENUE DEPARTMENT

15th September 1877, No. 2,743.

Far Relief.

No. 282. Proceedings of Government, dated 15th September 1877, No. 2,743.

Miscellaneous.

In view to the tasking and more systematic employment of the relief laborers on the Junction Canal, the Chief Engineer (Roads and Buildings) is requested to arrange with the Commissioner of Police for the Town of Madras for the transfer, at the earliest possible date, to the Executive Engineer in charge of that work, of all the coolies in the Chepauk Camp or otherwise working on the Canal and at present paid by the Commissioner.

2. The duty of tasking, controlling, and paying these laborers will thenceforward rest with Captain Clarke, and the Commissioner's duties in connection with them will be confined simply to making proper arrangement for the Police and conservancy of the camp.
