Read the following paper :—

No. 293. Proceedings of the Board of Revenue, dated 23rd August 1877.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Palmanair, 11th August 1877, No. 495.

In my letter, dated 4th instant, No. 479, I proposed to place the Additional Sub-Collector, Mr. Bliss, in charge of Polur in addition to the Arcot Taluq. The Arni Jaghire, however, intervenes between these two taluqs, and Polur being at some distance from Arcot, speedy marches to the villages of the former taluq, which are absolutely necessary in these days for the careful supervision of the extensive relief works now in progress, will be much impeded. In consideration of these circumstances, I have, in modification of my former proposal, resolve to entrust the taluqs of Arcot and Gudiattum to Mr. Bliss. These two taluqs have the advantage of railway communication, and it will be convenient for the Additional Sub-Collector who will be constantly on the move.

2. Polur is included in the General Duty Deputy Collector's range. That officer has besides this the charge of Wandiwash Taluq and the Arni Jaghire. I therefore propose temporarily to transfer Polur to the permanent Sub-Collector, ment. He will then have the charge [illegible] Mr. Austin has a [illegible] to the arrangegundi Division which is situated in his division, and is easily accessible by [illegible]

3. I request that you will be good enough to obtain the necessary sanction at an early date for the arrangements now proposed.

Submitted to Government in continuation of Board's Proceedings, dated 14th August, No. 3,792.

2. The Board would leave the distribution of charges to the discretion of the Collector. The arrangement now proposed seems preferable to that originally contemplated.

Sir

I have the honor to state that
on the 7th instant I proposed to place the
additional Sub Collector, attached to Chingleput
Range of Police in addition to
the Arcot Talug. The Revenue
Jurisdiction, however, intervenes
between these two Talugs, and
Police

Polur being at some distance from Aiet, speedy marches to the villages of the former Talug which are absolutely necessary in these days for the careful supervision of the extensive relief works now in progress, will be much impeded. In consideration of these circumstances, I have, in modification of my former proposal, resolved to entrust the Talugs of Aiet and Gudiatham to Mr Bliss. These two Talugs have the advantage of Railway communication, and it will be convenient for the Additional Sub-collector who will be constantly on the move.

2. Polur is included in the general duty Deputy Collectors Range. That officer, besides this, the charge of Wandewash Talug and the Arani jaghire. I therefore propose temporarily to transfer Polur to the Permanent Sub Collector, and, as this and the Vellore Talug adjoin, Mr Austin has agreed to the arrangement. He will then have the charge of these two Talugs and also of the Kaveripak Division which is situated on the Railway and is easily accessible by Rail

3. I request that you will be good enough to obtain the necessary sanction at an early date for the arrangements now proposed.
