GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

17th September 1877, No. 2,750.

Famine Relief.

Read the following paper:—

No. 295. From Lieutenant R. E. WILSON, 60th Royal Rifles, Taluq Relief Officer, Gooty, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, Fort St. George, dated Caroor, 7th September 1877, No. 296-D.

Your telegram, dated 4th September 1877.

In reply to your above-quoted telegram, which only reached me this day, I have the honor to inform you that on Monday the 4th instant I personally handed over a body of 3,600 picked coolies with an efficient supervising and paying staff to Mr. Wilkinson, the Railway Engineer. The coolies were set to work on Monday morning the 4th instant, and have already made very fair progress with the new Railway embankment, which it is hoped they will complete in ten days more. I also asked Mr. Wilkinson whether he wanted any more coolies, and was told by him that the present number was quite sufficient to complete the work, and that more would only get in each others way.

2. I could not send the coolies before the 4th of September, as it was necessary to make arrangements for feeding them. Had I suddenly sent 3,600 coolies to Goondacul to draw their daily food-supply from the very small local bazaar, serious results would probably have occurred. The merchants had also to bring their supplies from a distance. In conclusion I have the honor to inform you that no unreasonable delay has occurred in setting coolies to work on the new loop line.
