Copper Coins.

Read the following paper:—

No. 31. *From W. S. FOSTER, Esq., Collector of the Godavery District, to the Officiating Chief Secretary to Government, dated Cocanada, 26th April* 1877, *No.* 12.

With reference to G. O. No. 1223, dated 10th April 1877, Financial Department, I have the honour to mention that paragraph 3 of the Comptroller-General's circular, No. 24, of the 24th September 1874, referred to in the Accountant-General's letter, No. 13,956, dated 23rd March 1877, embodied in Government Order under reference, is being acted up to in this district.

2. There is at present no great demand for copper in this district as no relief works are being carried on, and consequently there is no necessity to conform to the suggestions of the Accountant-General contained in paragraph 2 of the above letter.

3. I beg also to state that money is freely exchanged at par in all the Government Treasuries, but in the bazaars native shroffs accept copper coins for silver at par but in changing copper again for silver they do so at a discount of 1 or 2 Pice per Rupee, but this occurs only in small transactions where the laboring classes require small copper coins for from 4 Annas to a Rupee.

No. 32. ORDER THEREON, 3rd May 1877, No. 1409.

Communicated to the Accountant-General, to the Revenue (Famine) Department, and to the Board of Revenue.
