GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

18th September 1877, No. 2,782.

Read the following paper :—

No. 358. Proceedings of the Board of Revenue, dated 9th August 1877, No. 3,705.

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 23rd July 1877, No. 629 :—

I HAVE the honor to submit a statement showing the marks obtained by the students of the Agricultural College during the session which closed on the 30th of last month. It will be seen that the three men at the top of the list are Messrs. Nowrojee Hormosjee Patuck, C. K. Subba Row, and G. Kristna Prabhu, who, in virtue of this position, are each entitled to a scholarship of Rupees 10 per mensem, payable from the 1st of October, under the rules sanctioned in G.O., No. 642, dated the 18th of May 1876. I nominate these three men, therefore, for the scholarships, the conduct of each having been highly satisfactory.

2. I enclose also copies of the question papers and three of the best answer papers of each examination (mensuration and arithmetic excluded); the answer papers I shall be glad to receive again when done with.

3. The Normal School Students, of whom nineteen attend the agricultural lectures, were able to appear only at one examination during the past session. I enclose a statement showing the results of that examination.

4. All of the students excepting four have passed the first standard in ploughing. Some of the ploughing done at the examination was very creditable indeed, seeing that, owing to the drought, there were so few opportunities during the last session for any practice in ploughing.

ENCLOSURES Nos. 1 and 2.—Statements showing Results of Examination.

ENCLOSURE No. 3.—Question Papers.

ENCLOSURE No. 4.—Answer Papers (42).

SUBMITTED for the orders of Government.

2. The question papers at the recent examination appear to the Board to have been satisfactory, and the answer papers highly creditable. The latter seem to show the presence of a superior class of men among the students at the new College.
