No. 368. Endorsement of the Chief Secretary to Government, dated Fort St. George, 31st August 1877, No. 1,671.

Read the following letter from Surgeon-General G. SMITH, M.D., Indian Medical Department, to the Hon. D. F. CARMICHAEL, Chief Secretary to Government, Financial Department, dated Fort St. George, 29th August 1877, No. 545.

WITH reference to Government Order noted in the margin, communicating copy of the Proceedings of Government, Revenue Department, No. 2,417-C, of the 31st ultimo, I have the honor to report, for the information of His Grace the Governor in Council, that the Apothecary at Tripassore is Assistant Apothecary Almeida of the *Pension* establishment placed in medical charge of the Military pensioners and their families residing at Tripassore, for which he is granted an allowance of 50 Rupees per mensem. Under these circumstances His Grace the Governor in Council may not consider the order of the Government of India as debarring the grant of an extra allowance to the Pensioned Assistant Apothecary if he be called upon to take medical charge of the relief camp which is established at Trivellore, at a distance of about four miles from the cantonment of Tripassore.

No. 2,191 of the 25th August 1877.

TRANSFERRED for disposal in the Revenue (Famine) Department, with reference to that Department Order, No. 2,417-C, dated 31st July 1877.

No. 369. ORDER THEREON, 18th September 1877, No. 2,787.

Miscellaneous.

THE Apothecary not being in the position of a Government officer, but receiving a special allowance for a particular duty, His Grace the Governor considers that the grant of an extra allowance for looking after the Trivellore Camp is only reasonable, and therefore grants him an allowance of Rs. 15 a month from the date on which he assumed medical charge of the camp.

Sir,

I have the honor to forward herewith a petition addressed to Government by Khan Bahadur Ahmed Khan Ghazi, Khan of Jhirruck, praying that he may be allowed to construct a railway, at his own expense, from Jhirruck to Shahpur, a distance of 12 miles, and to work the same for a term of years.

2. The petitioner has been informed that the Government of India will not undertake the construction of railways for private persons, but that they will be willing to grant the necessary sanction to any scheme which may be proposed by private persons, and to enter into negotiations with them for the purchase of the railway by Government, after it has been constructed and worked for a certain number of years.

3. I am directed to request that you will be good enough to favour me with the views of the Government of India on the subject of the petition.

I have &c.
