Famine Relief.

Read the following paper :—

No. 374. Proceedings of the Board of Revenue, dated 3rd September 1 No. 4,093.

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sundoor, 22nd August 1877, No. 674 :—

With reference to the Order of Government, Revenue Department, No. 2,391, dated the 27th ultimo, I have the honor to inform you that on the receipt of it I asked each division officer and each officer in separate charge of famine relief operations whether they considered it necessary to advertize for tenders for the supply of grain.

2. With the exception of the Deputy Collector in charge of the Harpanhally Division, they all concur in saying that there is no present necessity for adopting such a course.

3. It is to remembered that the Railway passes through five taluqs of the district, and that many others lie within easy reach, while at Pennakondah a very large reserve of Government grain has already been formed.

4. With respect to the Harpanhally Division, I have already advertized for the supply of one hundred tons of grain for each of the taluqs of Harpanhally and Hadgally, and, if necessary, I will advertize for more.

Submitted to Government with reference to the order quoted.

2. The Collector is satisfied that the trade will supply all his district except the western taluqs, and has not therefore tendered for a supply of grain elsewhere.
