No. 255

Collector of

Madras

To

H. Estlin Esquire

Secretary to the Board of
Revenue Madras

Sir

With reference to the Board's Proceedings No. 1815 dated 20th April 1877, I have the honor to report that piece work is not in force in the Thennaman-jalam Taluk, and that the scale of wages in the Deputy Collector's Division is now in accordance with that sanctioned. The men's wages were for a short period very slight from the scale. I do not understand the

words

records "though the rates are probably
not in excess of those that would be
paid under the order issued" and I
also doubt understand on what ground
the Board supposed that the orders of
Government were not exactly followed
in Tirumangalam.

The Board's remark as to Tirumangalam was
based on description given in the letter of the
Special apt. of the system in force as to payment
for work. The letter is now before Government
and cannot be referred to, but the matter is not
very important.

2. As to the wages in force in the Deputy
Collector's Division the scale was 2 as
and 9 p for men, women and children; and
as tasks entitling the coolies to the
higher scale laid down in G.O. 31st.

January

January 1877 No 327 were being performed
The wages under that order would probably
with ^{reference} to prices ruling, have been as high
as those actually given.
