*Proceedings of the Madras Government, Revenue Department,
22nd January 1877.*

No. 621. Read the following Proceedings of the Board of Revenue, dated 15th January 1877, No. 502 (Miscellaneous):—

Read the following letter from H. T. ROSS, Esq., Head Assistant Magistrate, Hindupur, to J. H. MASTER, Esq., Magistrate of Bellary, dated 9th January 1877, No. 4:—

My work has so much increased that I am no longer able to do all the first class and second class Magisterial work of my three taluqs or any part of it without causing great inconvenience to parties and the Police.

2. I have the honor to request that a temporary Deputy Collector and Magistrate may be posted to take Magisterial charge of my three taluqs, and to assist me in current revenue work until famine relief operations are over. If this cannot be done, I would respectfully suggest the advisability of empowering the District Munsif of Pennakondah if there are no objections to such a course and if nothing else can be done to relieve me.

3. I hope it may not be thought that I have any desire to shirk work which I have been doing now for some time, but I know that my moving about causes great inconvenience to many people in Magisterial matters, and I would also like more time to devote to relief work.

FORWARDED to the Secretary to the Board of Revenue, with an earnest request that a temporary Deputy Magistrate may be posted to the Pennakondah Division to afford Mr. Ross relief in the trial of criminal cases.

2. It is absolutely necessary that an officer in charge of famine works should be as little hampered as possible with actual trials.

Magistrate.
