GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

5th May 1877, No. 1,647-A.

Famine Relief.

Read the following paper:—

No. 113-A. Proceedings of the Board of Revenue, dated 25th April 1877, No. 1,914.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Darampury, 15th April 1877, S. N. No. 1,167.

I HAVE the honor to enclose the undermentioned estimates for relief-works in this district, and to request the Board's sanction to them:—

- (1.) Estimate for the Mullapuram Papireddy Road, Rs. 6,580, Uttengeri Taluq.
- (2.) Do. for the new Podupett and Elikananattam Road, Rs. 4,770, Tripatur Taluq.
- (3.) Do. for collecting materials, &c., on the Manjavadi Road, Rs. 4,000.

All the estimates have been examined and countersigned by the District Engineer.

THE Manjavadi road is a useful one, and the repair estimate, Rs. 4,000, is sanctioned.

2. The Board observe that the road from Mullapuram to Papireddypetty is stated to be in progress in Mr. Dawes' report for March, but it is not entered in the report which is the latest returned by Government. The Podupett and Elikananattam road also does not appear in the recent reports. If neither of these works have been begun, the Board would prefer that they should be postponed. There is no use in making roads which cannot be maintained hereafter. There are plenty of irrigation works to be taken up instead.

3. The Collector will report whether these roads have been commenced, and will furnish explanation as to their utility and the possibility of keeping them up.

Board of R.
No. 4743.

From the Collector of Salem
To the Secretary to the H. of R.
Madras.

Sir, In reference to Board's
Proceedings No. 1914 dated 26th
March. I have the honor to re-
port that the road from Kulla
puram to Papireddipatty has
already been begun and some ad-
vance has been made in its con-
struction. It is mentioned for the
1st time in the Relief Report
for the week ending with Saturday
the 31st March, and Rs 480 have
been spent on it up to Saturday
the 28th March. The road is

a very useful one and has
been long desired. It was
several times petitioned for
by the people and its construction
was urged by the Railway
Company as a Railway feeder.
There are several rich villages
on the line of this road and the
traffic to the Mullapuzha
Railway Station will be consider-
ably increased when the road
is constructed. Rapinadipatty
is the largest village in the
Kishnapherry Taluk (Harwar
District) and carries on a
considerable merchandize.
Although the construction
of the road costs a large
sum (Rs. 6500) its main-
tenance would not be heavy
and there is a provision of
Rs. 450 already in the Local
Fund.

Fund Budget for the purpose.
2. As regards the Elikal
Kattam road, Messrs. state
that the chief object of proposing
it as a relief work was to provide
employment in the western part
of the Tripunthi Taluk, border-
ing on the Kishnapherry Taluk,
as distress was commencing
in that part and there were
no other large works capable
of giving employment for some
time. The road joins the vil-
lage of Pundupet where a large
weekly market is held with
the trunk road No. 1 from Kamin
bad to Durgam at Elikalathur
and is a short cut for the traffic
from Kishnapherry Kullapadi
to Pundupet. The returns
received from the Taluk do not
contin

contains this work, probably
it has not been commenced.
The road will not require a
large maintenance grant,
and it may be found possi-
ble to allot a small miles
ap grant from the Local
Fund for it.
