GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

24th September 1877, No. 2,865.

Famine Relief.

Read the following paper:—

No. 532. Proceedings of the Board of Revenue, dated 21st August 1877.
Read the following letter from R. DAVIDSON, Esq., Acting Collector of
Kurnool, to C. A. GALTON, Esq., Acting Secretary to the Board of
Revenue, dated 7th August 1877, No. 715:—

Is forwarding copy of a letter from the District Munsif and 1st-Class Magistrate of Kurnool asking for batia and travelling allowances for the period during which he was specially deputed by me to Peapalli to discharge magisterial work there, viz., at a place other than his head quarters, I have the honor to request to be informed whether a District Munsif temporarily employed as a Magistrate comes under the head of "Temporarily employed, ^{Magistrate} ~~Magistrate~~ and draw travelling allowances at the rates mentioned in G.O., dated 5th May 1877, No. 1,645-A, communicated with Board's Proceedings, dated 23rd idem, Miscellaneous No. 7,471.

Enclosure No. 1.

From T. RAMACHENDRA ROW, District Munsif and 1st-Class Magistrate, to R. DAVIDSON, Esq., Acting Collector of Kurnool, dated 26th June 1877, No. 8.

I have the honor to return the bill forwarded with your office letter, dated 23rd June 1877, No. 166, as I do not know at what rate I have to charge my batia, and request you will kindly have the requisite corrections made in your office.

2. It appears from an entry in pencil made on the bill apparently in your office that I am entitled to batia at the rate of only Rs. 12 a day, or Rs. 27 in all, and this I respectfully beg to submit I am unwilling to receive. You are aware that, as a District Munsif, I need not leave my station in the course of my duties, and when I did so under your orders for magisterial work it was with the expectation I would be repaid the additional expenditure incurred by me during my absence. I then spent not less than Rs. 50, and I beg that you will be pleased to sanction the payment of that sum at least after reference to higher authority if necessary. I understand there are special orders of Government authorizing the Collector and Magistrate to pay officers employed in connection with the famine at the rate of Rs. 3 a day.

The order quoted is certainly not applicable to the case, but the Board think that the District Munsif is entitled to reimbursement of his actual travelling expenses, and his case will be submitted for the orders of Government.

Acting Secretary.

Persons.
The following persons
are considered as being
employed in the office
during the period between
the 1st of January and the
31st of December 1877
The rate of 3 per day. The
is about 40 miles from
the most probably village
during the day with return
passage of day. In all things
with each officer for his
daily allowance. The rate
fixed by the Act of 1874
is what he will be entitled
to under the Act. The
true value of the Act

kept but this time mostly
to receive with me to
only to 27th in bath
is allowed to be against
to from the time for he
will have no much
himself.

As far as can be ascertained
it is just the practice to
pay Bath to District
Prisoners under any circumstances
except when transferred
from one appearance to
another when they are
at the value for the maintenance
practically.

When are requested.

I have attached a paper of
letter. Just done

It is not clear how
many days to himself
has away from himself
he has evidently been
in a 2nd part battle for the
whole period - which at
2.00 a day for 14 days
(if that his period
is not) 2.60 2.00
but as much as he
has not actually
missing 7 days he
is only entitled to 2.00.
While he has refused
to receive 2.00!

It now seems to be a
question whether he
is entitled to any thing
at all. Aff.
